

EDGE22

SAN ANTONIO, TEXAS
AUGUST 12-13

BORN TO SERVE

SOUTH TEXAS LEADERS AND FRIENDS,

We're planning EDGE22 to be different from any conference we've planned before it! To make EDGE22 time well spent, we've added more time together interfacing than ever. There will be team building activities that you'll want to bring your whole outpost to experience together. No matter how new or experienced you may be at mentoring future men, you'll have multiple chances to take new information away from the conference. Both Friday and Saturday offer a large variety of new, relevant classes featuring "subject-matter experts" in many areas of adventure, skills, leadership, strategy, and Ranger ministry.

On Friday night, our Annual Awards Celebration and Missions Banquet will be a celebration of what God has done in and through us during 2021-22! There will be recognition for leaders who have gone above and beyond in their commitment to the Royal Rangers ministry as we give honor to whom honor is due. **Bring your spouse** and enjoy a tasty meal with your awesome STXRR family. During the banquet we'll also finalize our 2021-22 missions giving for Convoy of Hope and Royal Rangers International Global Expansion and aim to finish raising our goal. Will you begin to pray now about how you can help us finish strong?

On Saturday, we will share a working lunch and we'll unveil the 2022-23 annual theme, 2023 STXRR events calendar, share Camp Williams updates, and more. You'll even have a chance to get your hands on the Powwow 2023 promo patch before anyone else!

Within this packet, you will find all the important details for a weekend of high impact. I encourage you to pre-register early and take advantage of the discounts. I look forward to seeing you at EDGE22 in San Antonio!

Honored to serve with you,

Rev. Jason Bone

District Director
South Texas Royal Rangers

CLASSES OFFERED

We are proud to offer several choice Continuous Learning Electives (CLE's) included with your EDGE22 registration. First Aid/CPR will require an additional \$35 fee while Ranger Foundations (\$25) will be included with your registration.

National Level CLE Classes

FIRST AID / CPR: A First Aid/CPR course may be completed through any nationally recognized qualified organization such as the American Red Cross, the Green Cross, or the American Heart Association. The course must include demonstration and evaluation of the skills learned in a practical exercise in front of a live instructor. (Additional \$35 fee)

RANGER FOUNDATIONS (Sessions 9-15) – This class covers the “basics” of Royal Rangers and gives new leaders a good foundation from which to build their ministry to the next generation of godly men and lifelong servant leaders. Sessions 9-15 are the only sessions available to be taught in person. ***Prerequisite- Leaders taking this class must first complete sessions 1-8 online and be prepared to show verification of completion.** Find all available National Royal Rangers online classes here: <https://nationalroyalrangers.eleapcourses.com/>

District Level CLE Classes

DISC GOLF 101: The popularity of Disc Golf has skyrocketed over the last decade. Come learn how to get in on this recreational sport and use it in your Outpost. We'll cover the rules, the types of discs, how to find courses and finally, we'll have a little hands-on competition.

GROWING YOUR OUTPOST: Since Covid it has been a challenge for many outposts to maintain the numbers prior to 2020. Come together in this classroom discussion for resources and plans to help grow your outpost. Each new Ranger is potentially a new family and new salvations.

JUNIOR LEADERSHIP FOUNDATIONS: Junior Leadership Foundations (JLF) is the first step in developing leadership skills in boys. It is repeated each time a boy assumes a new leadership position in the patrol or outpost. Discussion will walk you through the JLF and the Junior Leadership Development Academy and eligibility for the Trail of the Saber.

MORE THAN MERITS: Are you tired of the same merit rotation? Tired of the same old approach? Are you unsure about how to teach merits that you have no background on? This class will help you not just complete the required merits but take the merits you've been doing to the next level, and open up new possibilities to merits you've never considered.

BORN TO SERVE

SEWING FUNDAMENTALS: Is there a need in your outpost to help sew on awards and merits to your awards vest and/or utility shirt? This is the chance for you to learn the basic instructions to help assist yourself and those in your outpost. If you have a portable sewing machine, please bring it to help with on-hand experience in the class.

THE FIVE LOVE LANGUAGES: The premise of “The 5 Love languages” is quite simple: different people with different personalities give and receive love in different ways. By learning to recognize these preferences in yourself and in your loved ones, you can learn to identify the root of your conflicts, connect more profoundly, and truly begin to grow closer. Dating, married, single, or simply looking for better ways to connect with others, this class and discussion is for YOU!

1–Hour Classes

****Combine 2 or more for 1 District CLE equivalent****

YOUR OUTPOST & ARTS: There is so many avenues of art to explore. We’ll take a look at all the different merits that fall under the “arts” umbrella and learn a new activity that is sure to interest your boys and may form a new hobby for them.

YOUR OUTPOST & SPORTS: Are you playing the same games each week with the boys in your outpost? Learn how to mix it up and learn some new games that will increase the excitement level in class and provide an opportunity to step outside the norm.

YOUR OUTPOST & TECHNOLOGY: While technology is exploding in today’s culture, let’s provide an avenue for our Rangers to explore new practices. If the word “technology” scares you a little, this is the class for you to learn there are many skills that anyone can teach.

YOUR OUTPOST & TRADES: With trades a young man is exposed to several opportunities that may open avenues to them for future jobs and skills. Learn how these skills can be incorporated into weekly lessons and projects that will benefit class discussion and possibly meet some needs of those in the church.

SATURDAY LADIES ACTIVITIES

(A fun plan for your banquet date on Saturday!)

CANVAS CREATIONS: We invite our spouses to join together for a fun and creative way to connect with friends in an inviting atmosphere. You will first enjoy the art ministry session inspired by Colossians 1:16-17 as you create a woven piece that represents our lives and the ways that He holds us together. Then you will enjoy creating your very own painting. No creative or artistic skills are needed. And of course, enjoy snacks along with your fellowship and creativity. NOTE: *Lunch is included for those registering for Canvas Creations.*
