A 2024 STXRR Certified Worker form is REQUIRED for overnight adult campers

Please consider a later departure time on Sunday to allow your outpost to stay and assist with camp teardown. Many hands make light work!

NOTE Some Powwow activities will require preparation before camp. Please review the packet carefully regarding events and tournaments.

SCHEDULE: Due to the wide range of games and events in a limited duration, boys must make choices about what they choose to participate in. It will not be possible to “Do It All”. Please see the scheduled events that overlap and share it with your boys so they can “Choose Their Own Adventure”.

THE CROSSOVER CEREMONY

Dear Friends of STXRR,

Every day, a spiritual battle faces each and every man and young man. Whether or not they realize it, that battle is real, and the stakes are eternal! Our culture in America is not suited for a male looking to grow spiritually into the godly man the Lord desires. Young men and adults alike are bombarded with issues at home, work and school and are constantly fed messages by our society about what it takes to be "a real man". In First Corinthians 13:11, Paul writes, "When I was a child, I spoke as a child, I understood as a child, I thought as a child; but when I became a man, I put away childish things." Unfortunately, our young men have no defined "rite of passage" that separates the beginning of their manhood either physically or spiritually.

With that need in mind, in 1998, the network leadership team developed a ceremony that introduced young men to the correct approach in crossing from a childlike mindset to accepting the responsibilities and thought process of a godly man. Since 1998, at each South Texas Powwow, we have conducted the "Crossover Ceremony" for Adventure and Expedition Rangers allowing them at an appropriate time to "crossover" into godly manhood. Starting in 2020, adult males who were interested in a rite of passage were invited to participate as well. Each participant takes a definite step with a host of witnesses who will be there to pray for and encourage him as he takes a public step of faith. Each participant will also be given a special coin that will forever be a symbol of the crossing over that took place. He will also have the opportunity to

partake with the staff in Holy Communion reminding him of what Jesus has already accomplished in his life.

The ceremony will be held Saturday night after the evening service and altar call. The ceremony is open to Expedition Rangers, adults, pastors, leaders, and personal mentors that are able to attend. We ask that all leaders make sure there is appropriate supervision in their camps before they attend. This is an opportunity as leaders to relate to our brothers-in-Christ and walk beside them as they journey into a deeper adventure with Christ. How we approach and treat them on this journey will have a great impact on their walk and their success in becoming a godly man. If you do not wish for your young man to participate in this memorable occasion or feel that he is not yet ready spiritually for this commitment, please communicate your decision with him ahead of time. When registering online, registrants will be able to select the Crossover Ceremony option if they plan to participate. Please encourage them to select this option before camp if they plan to participate. We hope you are as excited about sharing this opportunity with the leaders and future men of South Texas as we are!

Network Director
South Texas Royal Rangers

CAMP MEALS

This year food will be prepared and served from the Camp Grill. Meals will be served in a “come and go” fashion. We hope to make this camp experience as easy as possible on all outpost leadership by requiring less time in the kitchen cooking and cleaning and more time enjoying camp while mentoring future men. Each outpost is responsible for Friday’s lunch, whether you bring it with you, eat on the way, or buy it from the snack bar on site. The snack bar will be open starting at noon on Friday. Day campers will be fed 2 meals with your outpost for Saturday (lunch and dinner). Meals will

include milk or juice (for breakfast), or tea, lemonade, or water. Sodas will be available for purchase at the snack bar. If a camper wishes to buy snack foods or extra meals, he may do so with cash. Each outpost should also bring enough water and drinks to keep their campers hydrated throughout camp. Groups are welcome to eat in their own campsites or at the group dining area in dedication grove. Please be cognizant of trash and help us keep Camp Williams beautiful. *Dietary restrictions such as allergies etc. should be considered and accounted for by each outpost.*

VOLUNTEERS

Powwow will provide each leader in the network an opportunity to serve in at least 2 time slots. There will be a sign-up sheet located at registration for each adult leader (Pastors excluded) to choose at least 2 areas of camp service, on a first come, first served basis. These opportunities will include game judges, cooks, servers, parking lot attendants, shooting sports assistants, etc. For advanced requests, please email chad@stxroyalrangers.com.

OUTPOST GUESTS

A core value of Powwow is to serve as an evangelistic camp. It’s an adventurous place for your boys to invite their friends to introduce them to Rangers and more importantly to Jesus! Please encourage your future men to invite their school friends, neighbors, and sports teammates. Help build their confidence in sharing the Gospel while you gain an opportunity to help a boy find an everlasting relationship with Jesus.

Printable posters/flyers are available on STXRoyalRangers.com to help your Rangers invite their friends.

THE ‘BOTTOM LINE’

The South Texas Royal Rangers Powwow is a camp with a purpose! It’s designed to energize and excite every boy in your outpost, church and community – from the youngest to the oldest. It’s a time to adventure together with your young men and to give them a taste of the many things that the church and Royal Rangers has to offer. It’s also a time of revival as we attend Spirit-filled services and worship to reach the lost as well as bolster the weary warrior. We’ve worked hard to make it as easy as possible for a local outpost or youth group to enjoy camp at an affordable cost with minimal camping gear. We’ve tirelessly sought supply, equipment and service donations for the network to maintain the lowest camp cost possible and provide a great value to each camper present. For as low as \$69 per pre-registered, chartered Ranger (or as low as \$81 for pre-registered, unchartered Rangers), campers will receive camp admission, a Powwow 2024 T-shirt, 5 hearty meals, access to more games and events than they have time for, a Velcro-backed PVC patch and a life changing experience they will bring back to their homes and schools. Come join us and invite your Ranger’s friends, your Pastors, and dads and let’s worship together!

PRE-REGISTRATION

All adults must pre-register to be permitted to stay overnight on the Powwow Grounds. Due to network insurance policies, **each overnight adult camper must be listed on the signed STXRR 2024 CERTIFIED WORKER FORM on file for their outpost.** This form is available on STXRoyalRangers.com and should be turned in by Friday, April 12, 2024. It is greatly encouraged that boys pre-register as well. Boys under 18 who wish to camp overnight will be permitted to register at the gate. They must provide the required fees for admittance and must be registered using the online form submission at STXRoyalRangers.com.

Pre-registration is EASY!

- 1) Parents/Guardians must complete and e-sign the online registration for their camper (whether an overnight or day camper) at: STXRoyalRangers.com. **Printable post cards are available on STXRoyalRangers.com** to direct parents to our website and provide them with your outpost number. Adults/Leaders must complete their own registration.
- 2) Print out the Registration Confirmation sheet.
- 3) Parents/Guardians can then pay online or by submitting a check to their local Outpost Coordinator with their confirmation printout. Outpost coordinators can submit payment for the entire outpost to the network mailing address below. Please collect all the fees as indicated on the individual registration confirmation printouts and send a church check (postmarked by the deadline below) to:

Tickets may be used by any camper regardless of original purchaser, but refunds will not be issued for unused tickets.

ON-SITE CHECK-IN

A Powwow info booth will be maintained at registration for coordination and informational purposes. During registration, the Outpost Coordinator or other designated leader is responsible for turning in any required paperwork and paying the fees for each camper before a campsite will be issued. Upon arrival, please be prepared for your entire party to disembark the vehicle at registration. We will check in each camper and **verify every adult's picture ID** before admission. Each adult's photo ID must match his name listed on the application for admittance. A complete pre-registration will greatly accelerate this process as names, fees and paperwork will be verified in advance.

Outposts who are completely pre-registered will be admitted through an express lane and greatly expedite their process on-site. Boys registered at the gate must have had forms pre-submitted online. Payment for on-site registration or any other remaining outpost balance is due before entering camp. Any boys exceeding the outpost's total number of pre-registered boys will be charged an admission fee before entry. Unused registration fees will not be refunded. No adult registration transfers will be permitted after the pre-registration deadline. If a pre-registered boy is unable to attend, we greatly encourage you to invite another boy in his place!

OUTPOST COORDINATORS' WEB PORTAL

The Outpost Coordinator's Portal will give instant access to each outpost's registration summary. Outpost Coordinators are encouraged to apply for their access online at STXRoyalRangers.com.

FCF ACTIVITIES

The FCF Village will be open for viewing and demonstrations on Saturday. Those camping in the FCF Village will be displaying FCF trades, items and other skills for the enjoyment of the boys. Select FCF members will be firing a cannon hourly at a target during Village visitation hours. **A selection of patrols actively participating in FCF village activities have the privilege of aiming the cannon before the cannons fire it!** Powwow points will be given for FCF Village participation

and for the outposts who land a cannon hit! All new members that completed their FCF requirements and attended the 2024 Frontier Adventure in late February will be able to participate in the "Call Out" recognizing them at the Saturday afternoon assembly.

Select FCF members will also serve as our color guard for the duration of camp.

Outposts with 26 or more campers will compete in the Blue division, while outposts with 25 or fewer campers will compete in the Red division. The receiving outpost is to return the award the following year so that it can be awarded once again. Boys will earn tickets or medals for participation in all facets of the camp. Powwow staff will also randomly award tickets throughout camp whenever they observe a boy exhibiting specific points of the Ranger Code. These will be in addition to those earned by boys who win games and

competitions and outposts or sections who win team awards. Outpost numbers will be written on each wristband for your Ranger's to quickly identify themselves. All tickets should be deposited in the master ticket box located near the store for counting.

BEST OUTPOST ENTRANCE: Medals will be awarded to each outpost in the section whose camp entrance is voted "Best in Camp". Extreme preference will be to entrances that match our theme.

One young man from each age group and one adult leader will be selected to choose from the available prizes.

PATROL INSIGNIA JUDGING

Conducted at the assembly area during Sunday School, the patrol items will be judged by age group. Judging will be on the basis of originality, quality, effort expended, and appropriateness.

GAMES: Participation prize tickets will be given to each boy completing a game. Winners will be given bonus tickets. These tickets should be deposited into the camper's outpost ticket box located at the camp store for counting/scoring. ULTIMATE FRISBEE RULES

SPIRIT OF THE GAME

Ultimate stresses sportsmanship and fair play. Competitive play is encouraged, but never at the expense of respect between players, basic joy of play and adherence to the rules.

Ultimate is a non-contact and self-officiating sport. Players are responsible for their own foul and line calls. Players resolve their own disputes. Remember, as Rangers, we are:

- HONEST - We do not lie, **cheat**, or steal, and we are
- COURTEOUS - We are polite, kind, and thoughtful.

3 on 3; 3 rounds, the first to 3 or 3 minutes.

The Field: A rectangular shape with end zones at each end. 20 yards (width) by 30 yards (length) by 6 yards (endzone).

Scoring: Each time the offense completes a pass in the defense's end zone, the offense scores a point. Play is initiated after each score.

Initiate Play: Each point begins with both teams lining up on the front of their respective end zone line. The defense throws ("pulls") the disc to the offense.

Movement of the Disc: The disc may be advanced in any direction by completing a pass to a teammate. Players may not run with the disc. The person with the disc ("thrower") has five seconds to throw the disc. The defender guarding the thrower ("marker") counts out the stall count.

Change of Possession: When a pass is not completed (e.g., out of bounds, drop, block, interception, stalled), the defense immediately takes possession of the disc and becomes the offense.

Substitutions: Players not in the game may replace players in the game after a score and during an injury timeout.

Non-contact: No physical contact is allowed between players. A foul occurs when contact is made. Defender must maintain one arm length's distance from the thrower. Exception: if players are going after the disc that is still in the air.

Fouls: When a player initiates contact on another player a foul occurs. When a foul disrupts possession, the play resumes as if the possession was retained. If the player committing the foul disagrees with the foul call, the play is redone (Do-Over!)

TEAM DIVISIONS

Division 1: Teams made up solely of Expedition Rangers

Division 2: Teams made up solely of Adventure Rangers

Division 2: Teams made up solely of Discovery Rangers

Teams may include one (1) player from one group above or below if needed to have enough players. Teams may also include players from other outposts.

Each team should be comprised of no less than 3 players, and not more than 5 players. If you have 6 or more players, please form 2 teams so that each boy will get to have more play time.

Injuries: If a player is injured during play the referee will begin to sharply blast his whistle repeatedly to gain the attention of the official timekeeper. All players are to move away from injured player and take a knee so that medical staff can attend to him.

CARDBOARD DERBY RULES

South Texas is proud to host a Cardboard Car Derby this year at Powwow! Outposts should construct their cars prior to camp and bring them for Race Day during Powwow 2024. Cars may be constructed of cardboard and other soft, biodegradable materials. Wood, metal, and plastics are not permitted. Cars may use glue or tape as adhesives. Cars must hold at least 4 Rangers and will utilize the boy's legs as "wheels".

There will be 3 racing events, a Discovery Ranger class race, an AR/ER class race, and an all-age Demolition Derby. An outpost may enter up to 2 cars and each car may be reused for every race. Each car must race with 4 correct-age occupants OR every boy from that outpost's age group(s) if they have fewer than 4.

NASCAR style racing will be held during morning assembly on Saturday.

Demolition Derby will be held during the afternoon assembly and every car will race at the same time. Knocking down, or being knocked down by, another car will result in elimination of both cars. When all occupants can no longer remain in a car (due to destruction) that car is eliminated. Last car "together" wins.

Medals will be Awarded in the following categories:

- Participation
- Design:
 - o Most Realistic
 - o Most Creative
- Race:
 - o 1st, 2nd, 3rd in Discover, Adventure, and Expedition Rangers
- Demolition Derby:
 - o Last survivor (or most intact at time limit)
 - o Most Spectacular Demolition (all cars involved)

SPECIAL POLICY NOTES TO LEADERS

CHARTERING: Powwow is open to chartered and unchartered outposts and groups. Outposts and individuals attending Powwow who plan to charter need to do so prior to submitting their pre-registration to be eligible for applicable discounts. Additional attendees, including visitors, will be charged the non-chartered price.**

Pastors, outpost committee members, dads, deacons, and other leaders are welcome to attend, but must be listed on the “STXRR 2024 CERTIFIED WORKER FORM” in the forms section. All adults 18 years of age and older that attend must be listed and approved via signature from a pastor on behalf of the leader’s church. *Ladies are welcome to participate during the Saturday visiting hours listed on the camp schedule. For privacy reasons, we ask that female visitors always remain outside of the camping areas. Visitors are required to always comply with all camp rules.*

CONDUCT: There will be absolutely no tobacco, alcohol, or illegal drug use or possession tolerated at any time. The pond is off limits except when specifically permitted and supervised by a **Powwow staff member** during specified games and activities. Please make outpost visitors aware of these guidelines. Leaders are expected to always monitor the behavior and location of their group. The Head Security Officer and FCF “Old Timers” (adults) will also be patrolling the area to ensure safety and to enforce the nightly curfew. There will be State

Certified Peace Officers available for any security situations that may arise. **No concealed or open carry is permitted at Powwow.** We reserve the right to ask any visitor, participant, or staff member to exit the premises for any conduct we deem unacceptable. No refunds will be issued.

DAY PASSES: We are once again offering a day pass option this year for those who want to come out and spend the day Friday or Saturday. Participants who register for a day pass will still have their scores counted in competitions, receive a patch, and enjoy 2 meals from the Grill. Adults who are not staying overnight will not be required to pre-register to be issued a day pass. Early registration day passes for leaders, Discovery, Adventure and Expedition Rangers and other guests are \$33 for chartered outposts and \$38 for non-chartered outposts. Day pass and visitor hours include:

FRIDAY - 10 AM until the evening service ends

SATURDAY - 9 AM til after the Crossover ceremony

RANGER KID ACTIVITIES: Ranger Kids and their leaders will also find several activities specifically designed for them on Saturday. Ranger Kids are encouraged to attend Saturday and take part in all the age-appropriate activities. **Early registered chartered Ranger Kids will be admitted for a \$26 registration fee (\$29 for unchartered Ranger Kids)** which will include one (1) Powwow patch, (1) Powwow T-shirt (*guaranteed only if registered by Fri, April 5*) and participation in the Ranger Kid activities and services. **Just like those purchasing a day pass, Ranger Kids who register will receive 2 meals.** Hours for Ranger Kids are 9 AM until immediately following the Saturday evening service.

ARRIVAL AND DEPARTURE: Please do not plan to arrive at Powwow prior to 10:00 am on Friday. All

outposts should plan to leave the area no later than 2:00 pm on Sunday. All campsites will be inspected and approved by a camp staff member (or appointee) before your outpost will be able to leave the property. We are stewards of the land that the Lord has allowed us to utilize and want to treat it as such.

PATROL/OUTPOST INSIGNIA: Please bring your groups' patrol insignias to Powwow and carry them to all group meetings. We will have patrol insignia judging as an outpost competition. Judging will occur during Sunday School by the Powwow staff.

LEAVING/RETURNING DURING CAMP: Boys will not be allowed to leave the Powwow site until the conclusion of camp. In an emergency, please notify a Powwow staff member. Those leaving must notify registration staff. **Gates will be locked each evening and reopened in the morning for safety and security purposes.**

PROVISIONS: Each outpost should provide its own water, shelter, and other necessary items or coordinate with another outpost/group to assist.

CAMPFIRES: Ground fires are allowed at outpost campsites during Powwow. This is subject to the county issuing a burn ban. If Lavaca County does issue a burn ban, all ground fires will be prohibited and all fires will need to be contained. The only exception will be the evening council fires. Ground fires are to be built above ground. Fire "pits/holes" are prohibited.

EXCAVATION, TREE CUTTING AND CLEAN UP: Do not cut or damage any standing/live trees, bushes or other vegetation. Please clean up your campsite before leaving and please plan to place waste in the dumpster on site at the conclusion of Powwow. All unburned firewood should be moved into the woods (not left in field), all holes should be completely filled. As we are guests, leave everything better than you found it!

WATER: Water will be provided at spigots in camp. Encourage your boys to bring canteens or other portable water containers during the activities.

RESTROOMS: Portable restrooms will be set up strategically throughout the camp in high-traffic areas. One restroom will be reserved for ladies visiting the camp. Please respect this policy and ensure that all facilities are kept clean and proper behavior is exhibited near the restrooms.

DRESS: **Please plan to wear the 2024 Powwow t-shirt on Saturday that was provided to registered overnight campers.** Boys and leaders are encouraged to wear their outpost's uniform (dress, utility, special) at morning assemblies. Since Spring weather in South Texas is difficult to predict, prepare boys for warm, wet, and cool weather.

ASSEMBLY ATTENDANCE: Attendance at evening Council Fire services is mandatory and **will be enforced.** Because we are the boys' examples, we ask that leaders attend all the general events with their boys. During evening services, there is no need to keep a leader at the campsite as security will be on patrol. The main purpose of Powwow is the spiritual emphasis that takes place during the evening services and throughout the event between the boys and leaders. Making sure you and your boys are at the evening service will ensure the Holy Spirit can move in each life. What a privilege!

FIREARMS AND FIREWORKS: WE DO NOT PERMIT INDIVIDUALS TO BRING FIREARMS INCLUDING CONCEALED HANDGUNS, AMMUNITION OR FIREWORKS OF ANY KIND TO POWWOW FOR ANY REASON. Firearms for shooting sports events will be provided by the network.

There are two exceptions to this rule:

1) The designated State Certified Police Officer who is head of Powwow security.

2) FCF Members displaying firearms at the FCF Village and/or firearms to be used as part of an FCF Outfit. Ammunition or black powder will not be allowed at Powwow. All firearms used in pageants shall be inspected by the Shooting Sports Coordinator or a person designated by him.

PETS/WILDLIFE: Camp Williams has a no pet policy. All wildlife onsite must be left unharmed and remain on the property. Wildlife should not be provoked or harassed. Good effort should be shown to preserve wildlife. Any encounters with wildlife that necessitate or result in harvesting wildlife should be reported immediately.

PERSONAL PROPERTY: South Texas Royal Rangers and the South Texas District Council of the Assemblies of God, Inc. is not responsible for lost, stolen, or damaged personal property.

PERSONAL ELECTRONIC DEVICES: South Texas Royal Rangers (STXRR) recognizes the now common practice of parents providing minors with cell phones and other personal electronic devices. STXRR also recognizes every parent has a different standard and method for controlling digital content. To both provide for benefits of camper device usage, as well as to honor and respect parental limits, the following rules shall be observed:

Adults attending camp as chaperones for minors will be solely responsible for ensuring no minor under the age of 18 from his church, outpost, or camping group has unsupervised possession of a cellular device when in the presence of other minors. This especially includes when minor campers are inside of tents or other enclosed or secluded areas such as the bathroom, in the woods, etc. STXRR will allow each church, outpost, or camping group to establish its own

system for enforcing this rule. Some suggestions include taking devices up after evening service and returning them in the morning or providing limited device times throughout the camp. Attendance at STXRR events denotes your acceptance to develop and execute a system to ensure the digital safety of minors from your church, outpost, or camping group

GENERATORS: Generators are not permitted at Camp Williams. Limited power is available on a case-by-case basis near the snack shack for those who need to camp in proximity to electric access for CPAP machines and other medical devices (please bring needed extension cords).

TOOLS: Only hand tools should be used to prepare your campsite. Mowers and all other power tools are prohibited for safety reasons. No double-bit axes are allowed at Camp Williams.

VEHICLES: Vehicles and all trailers are not to be left in the camping area for any reason. **After arriving, you have a maximum of two (2) hours to remove all vehicles and trailers and park them only in the designated parking area. Security will enforce the time limits and parking locations.** No vehicles are to be driven during the camp (for safety reasons). Exceptions include emergency and staff vehicles. Any other exceptions **must be approved** by the newtork director and all designated vehicles must display a necessary staff placard on the dash.

CAMPSITES: Groups will camp together in one area as an outpost. You are encouraged, when possible, to camp by age groups (Discovery Rangers, Adventure Rangers, and Expedition Rangers) within the Outpost campsite and promote the patrol system as much as possible. Adults are not to sleep in tents with minors.
