

STXRR FAMILY FIELD DAY

SEPT 26 > CAMP WILLIAMS, TEXAS

STXROYALRANGERS.COM

South Texas Family,

The most important group in a young man's life is his family. With that in mind, we invite you to the 7th annual STXRR Family Field Day this fall! The entire family is invited to participate, regardless of whether they belong to a Royal Rangers/Girls Ministries group or not! Your network team is planning a fun-filled experience filled with adventurous activities designed for the entire family at Camp Williams.

All participant tickets will include lunch and an event T-shirt! Shirts will be available on a first-come, first-served basis and supplies are limited. Adults can participate in the activities or register as spectators and enjoy fellowship and the beauty of Camp Williams.

NEW this year!: we will now offer 3 distinct choices for participating in a fun Family Field Day! In addition to the traditional shooting sports and field day activities, we are offering a chance to learn **compass skills** from seasoned experts and earn the blue compass merit in 1 day! In a digitally dominated culture, learning a manual skill like navigating with a compass is a new experience for many and a great way to enjoy the outdoors.

Boys and girls up to 2nd grade (Ranger Kids, Daisies, and Prims ages) can participate in **Day Camp** activities specifically designed to challenge and thrill them. Frontiersmen Camping Fellowship (FCF) members will take us through an adventure through the FCF Village. Day campers will enjoy activities from life in the "Old West" complete with an old-fashioned hayride along with various demonstrations and hands-on activities. All who participate in the field day group will earn the "Craft" and "Day Camp" Ranger Kids achievement badges!

For our upper elementary through high school students (Discovery, Adventure, and Expedition Rangers along with Stars, Friends, and Girls Only ages), we're planning a full range of **Shooting Sports** fun led by certified NRA range safety officers on the South side of Camp Williams! Postal match competitions are also part of this year's event and **there are both male and female postal competitions this year!**

Family Field Day is a great opportunity to invite friends and neighbors who may not be familiar with Royal Rangers, Girls Ministries, or part of a church family and give them an opportunity to experience being a part of the Body of Christ.

Pack your lawn chairs, water bottles, hats, sunscreen, and comfortable shoes and come out to Family Field Day with your entire family and outpost!

Camp address: 1345 County Road 444, Hallettsville, TX 77964

REGISTRATION

Registration is available online through the STXRR Portal at portal.stxroyalrangers.com. It is extremely beneficial to register before arriving to save money and avoid a lengthy check-in process on the day of the event.

NOTE: A registration is not complete until payment has been submitted online, or a check has been sent via mail. Payment must be received online or postmarked by the respective pre-registration deadlines to qualify for all discounts. Charter discounts are based up on 2025-26 charter status. Outposts qualify for charter discounts up to the number of boys and leaders chartered for 2025-26.

DAY CAMP ACTIVITIES

Outing Achievement Badge – This year day campers will go on a high adventure in the great outdoors as they get to explore some of the hidden parts of Camp Williams. They will take a hike through the woods to see what kind of critters and surprises they find along the way. Fun for the entire family, this is an outing you won't soon forget!

Games Achievement Badge: The FCF will provide an array of games and activities for the kids to enjoy which will allow them to complete the requirements for the Games badge. We will have some action-packed competition the whole family will enjoy. This will be an awesome day at our beautiful Camp Williams!

BB Gun Shooting - The Ranger Kids will be given opportunity to enjoy some shooting of our own in direct correlation with the older Rangers' shooting activities for the day. Please note, there will be NRA range officers on hand to supervise and run the range in the same fashion as the older boys. Proper gun safety is our focus, as this will prepare the Ranger Kids for future shooting sports adventures as they advance to Discovery Rangers.

Axe Throwing - In keeping with our shooting sports adventure, the boys will be participating in some axe throwing, JB Beaver style, fit for a Ranger Kid!

Recreation Area - We will have a rock-climbing wall, Jacob's Ladder, climbing cargo net along with some other fun and exciting activities for the kids to enjoy while they arrive as well as in between festivities.

SHOOTING SPORTS ACTIVITIES

Head down to the shooting range where participants can enjoy and gain experience in a wide array of shooting disciplines including small-bore (.22), shotgun (12 gauge), and high-power (.223) ranges (based on shooter's age*), archery, air rifle, and BB gun! NRA-certified Range Safety Officers will be on site ensuring safety and fun for everyone who participates.

Shooting Sports Postal Matches: Postal matches are a great way to get out on the range and compete against your fellow Rangers Nationwide. Rangers and leaders can compete in multiple different disciplines. The BB gun and air rifle postal matches are exclusively for boys (under age 18). Archery (compound and traditional), small bore .22 rifle, trap, and black powder postal matches are open to both boys and men. We encourage outposts to get involved in these postal matches as a fun way to provide a mentoring opportunity where men and boys are learning shooting sports skills together. The postal matches also offer the chance for national recognition from the NRA and from Royal Rangers. There are now male and female postal match categories so everyone can join!

If you are interested in coming out to camp the day before Family Field Day and competing in the postal matches, please reach out to Christopher Moses, Network Shooting Sports Coordinator, at chris@stxroyalrangers.com.

COMPASS ACTIVITIES

NEW! Participants of all ages are invited to select the compass activity option when they register and learn navigating with a compass from seasoned outdoorsmen. Day campers will learn about the different types of compasses, topographical maps, how to orient and find a bearing, learn how to determine direction of travel in the outdoors without a compass, and have a chance to complete a compass course at Camp Williams!
